IN MEMORIAM

George A. Cook, devoted citizen of the Town of Hooksett who served his town faithfully and well until the time of his death February 28, 1967. Mr. Cook was a World War One Veteran, served as Chief of Police from April 2, 1926 to June 12, 1935, served as Selectman from 1928 through 1930. He also served in many other Town capacities such as being supervisor of the check list, Moderator of the Town from 1950 to 1964, moderator for the School District and Village Precinct and served as Forest Fire Warden for many years. Mr. Cook also served as sexton of our local cemeteries, was elected as Road Agent in March of 1932 and served as such until January 1, 1963. He also was a charter member of Merrill Follansbee Post, was elected to serve a second term as Representative of the Town to the Legislature and served as such until the time of his death on February 28, 1967. His knowledge of the Town and devotion to the Town is greatly missed.

Certificate of

COMMENDATION

awarded to the

Town of Hooksett, New Hampshire

in recognition of its superior standards of informing citizens and taxpayers about municipal activities and of providing them an effective basis to appraise the value of services furnished by local officials, elective and appointive, as displayed in their official

ABSTRACT OF ACTION TAKEN

RECORD OF THE MINUTES OF THE TOWN MEETING

HOOKSETT, N.H. MARCH 14, 1967

The Moderator, Oscar Morin, Jr., opened the meeting at 10:00 A.M., read through article 1 of the Warrant; the certification of posting same by the Selectmen; and declared the remainder of the Warrant would be taken up at 7:00 P.M.

The Moderator appointed Marion Harrington (r) and Laurette Morin (d) as keepers of ballots; and Theodore Lovertue (d) and Lillian Zapora (r) as checkers. Also serving at this meeting were Doris Riley (d) and Edith Rice (r), Ballot Clerks; Dorothy Squire, Assistant Town Clerk; and Roland Levesque, Assistant Moderator. Ten specimen ballots were posted in and around the polling places prior to opening the meeting.

Mr. Pike made the motion to keep the polls open until action on the Warrant has ceased. Motion was seconded and voted in the affirmative. The Moderator declared the polls open for voting at 10:05 A.M.

At 7:00 P.M., the Moderator, Mr. Morin, called the meeting to order to take action on the remaining articles in the Warrant. Each article was read and acted upon as follows:

Article 1: Officers not on the ballot were nominated from the floor, in separate motions, for the following groups of officers: (a) Frank Gray made the motion that Stanley Spiewack, Warren Douglas, and William Courser be re-elected as Surveyors of Wood and Lumber. Motion seconded by Mr. Hebert and voted in the affirmative; (b) Donald Botsford made the motion that Homer Enderson, John Bates, Roland Casey, Rutger Broek, Leslie Pike and James Gilbert be re-elected as Weighers of Commodities. Everett Hardy seconded the motion and it was voted in the affirmative; (c) Mr. Murray made the motion that George Browning Jr., Roland Boisclair, Melvin Johnson, and Roland Gagnon be re-elected as Fence Viewers. Frank Gray seconded the motion and it was voted in the affirmative. These officers were then sworn to office by the Moderator.

Article 2: A yes or no vote at the bottom of the ballot was not acted upon in open meeting. (see result of voting at end of minutes of this meeting)

Article 3: Leo Belisle made the motion to authorize the Selectmen to hire money in anticipation of the 1967 taxes, to be repaid therefrom. Motion seconded by Ted Gagnon and voted in the affirmative.

Article 4: Armand Cote made the motion that the Town give a discount of two (2) per cent on all taxes, except poll taxes paid on or before July 15, and to grant the Selectmen authority to extend this date if unable to obtain tax rate from State Tax Commission as of July 1st. Motion seconded by Charles Foster and Voted in the affirmative.

Article 5: Reports of officers, agents, auditors, and Committees - James Dinwoodie clerk of the Budget Committee presented the following corrections to be made in the Town Report:

1. Article 10, section 1, on page 7: "Annual appropriation of $1,000.00", should be corrected to read $10,000.00.
2. Budget, page 20: "Reappraisal by State Tax Commission - $16,000.00". Item should be deleted.
3. Budget, page 20: Revenue total of $72,916.00 should be $88,916.00 before deletion of $16,000.00, and will be correct at $72,916.00 after deletion of the $16,000.00 item.
4. Budget, page 21: "Reappraisal of Property - $16,000.00" should be corrected to $5,333.00 (a reduction of $10,667.00)
5. Budget, page 21: Under "Health" - add the amount of $500.00 for Article 7 in the Warrant relating to Ambulance service.
6. Budget, page 21: Total expenditures of $224,404.41 should have been $226,404.41. Adjusted and corrected total will be $216,237.41.

Frank Gray made the motion to accept the reports with the corrections. Motion seconded by Donald Botsford and voted in the affirmative.

Article 6: Ralph Page made the motion that the Town raise and appropriate six hundred eleven dollars and forty one cents ($611.41), the State to furnish four thousand seventy six dollars and four cents ($4,076.04), the same to be expended under the State Highway Department for Class V Town Road Assistance. Motion seconded by Archie Campbell and voted in the affirmative.

Article 7: Donald Botsford made the motion that the Town authorize the annual expenditure of five hundred dollars ($500.00) to support the operation of the Emergency Ambulance by the V.F.W. Post No. 2860. Motion seconded by Mr. Mulaire and after much discussion was voted in the affirmative.

Article 8: Armand Roberge made the motion that the Town raise and appropriate three hundred seventy two dollars ($372.00) (10 cents per capita based on 1960 census) as a membership fee for inclusion in the Southern New Hampshire Planning Commission. Motion seconded by Mr. Gagne and voted in the affirmative.

Article 9: Leslie Pike made the motion that the Town petition the State Tax Commission to reassess the Town for tax purposes, and to raise and appropriate the sum of five thousand three hundred thirty three dollars ($5,333.00) in the current fiscal year (1967), the balance of the estimated ($16,000.00) cost of such reassessment to be raised in equal installments in the years 1968 and 1969. Motion seconded by Barbara

Johnson, and, after lengthy discussion, was voted in the affirmative.

Article 10: (1) This section suggesting an increase in the Police Department and an additional cruiser, having been disapproved by the Budget Committee, no action could be taken on this section; (2) regarding the speed up of the beltline construction through the intersection of the D.W. Highway - Donald Botsford made the motion to accept the section as read. Mr. Gingras seconded, and it was voted in the affirmative; (3) pertaining to the election of the Budget Committee by secret ballot - John Luckers made the motion to accept the section as read, and Mrs. Granger seconded. The Moderator referred to R.S.A. Chap. 32:2 (the Municipal Budget Act), which had been previously adopted by the Town. The Moderator then called for the vote, and the motion was defeated. Ray Langer made the motion to indefinitely postpone any action on this item. This motion seconded by Ted Gagnon, and voted in the affirmative; (4) regarding procedure of the Town Meeting - John Luckers made the motion to accept the section as read, seconded by Anita Dudley. Whereas the rules of procedure adopted for one Town Meeting cannot dictate the rules of procedure for subsequent Town Meetings, this motion when brought to a vote, was defeated; (5) Leon Boisvert made the motion to pass over this section concerning the itemizing of all costs involving vehicles owned or purchased by the Town. Motion seconded by David Poisson and voted in the affirmative; (6) Ralph Page made the motion to pass over this section concerning the listing of expenses involving Town-owned buildings. Motion seconded by Leon Boisvert and voted in the affirmative.

Article 11: Frank Gray made the motion to adopt the Budget as submitted by the Budget Committee. Roger Hebert seconded the motion and it was voted in the affirmative.

The Moderator, Mr. Morin, declared the polls closed at 8:15 P.M., and the business portion of the meeting was closed.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF HOOKSETT IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Hooksett Memorial School Auditorium in said Hooksett on Tuesday, the twelfth (12th) day of March next at six of the clock in the forenoon, to cast your ballots for Town Officers. Polls close at 6:30 P.M., action on remainder of warrant starts at 7:00 P.M.

1. To choose all necessary Town Officers for the year ensuing.

2. To vote on all articles in the Town Warrant, by ballot vote only. (Inserted by Petition)

3. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1968 taxes, to be repaid therefrom.

4. To see if the Town will vote to give a discount of two percent (2 percent) on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.

5. To hear the report of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed and to pass any vote relating thereto.

6. To see if the Town will vote to raise and appropriate the sum of seven hundred three dollars and sixty-four cents ($703.64) the State to furnish four thousand six hundred ninety dollars and ninety-one cents ($4,690.91), the same to be expended under the State Highway Department for Class V Town Road Assistance or take any action thereto.

7. To see if the Town will appropriate annually an amount to maintain membership in the Southern New Hampshire Planning Commission. (1967-68 Membership fees based on 1960 Census at twenty-five cents ($.25) per capita nine hundred twenty eight dollars ($928.00).

8. To see if the Town will vote to name the town playground, located in Lincoln Park, "The William G. Fraser Playground" in honor of Marine Cpl. William G. Fraser, a native of Hooksett who was killed in Vietnam December 28, 1967, and to raise and appropriate the sum of five hundred dollars ($500.00) to be expended by the Parks and Playground Committee to erect a bronze plaque and marker or take any other action in relation thereto. (Inserted by petition)

9. To see if the Town will vote to appoint a Library Building Committee of seven citizens. Said committee to be comprised of three Library Trustees, a member of the Board of Selectmen, School Board, Planning Board and Budget Committee. That this committee make a detailed study of the Town Library's needs and present a report at the Town Meeting of 1969 and/or if necessary at a Special Town Meeting. (Inserted by Petition)

10. To see if the Town will vote to change the method of paying the Tax Collector from the present method based on a percentage of the amount collected, to a straight salary; and to fix said salary for the year 1968 at Five Thousand Dollars ($5,000.00); and to authorize the Board of Selectmen, with the approval of the Budget Committee, to fix said salary thereafter. (Inserted by petition)

11. To see if the Town will vote to raise and appropriate a sum not to exceed twenty thousand dollars ($20,000.00) for the purchase of a Class A, 750GPM Combination Pumper and Tanker for the South Hooksett Station. This sum to be borrowed on the credit of the Town and amortized over a period of six (6) years. (Inserted by petition)

12. To vote on the following question: "Are you in favor of increasing the Board of Selectmen to five members". (Inserted by petition)

13. To see if the Town will vote to authorize and instruct its Board of Selectmen to investigate the proposed changes made in the original layout of interchanges on Interstate Route 93 and for this purpose to consult with the officials of the City of Manchester and the State of New Hampshire and the business men of Hooksett and Manchester and to use every effort to prevent these changes from taking place. (Inserted by petition.)

14. A - To see if the Town will vote that the present method of the Police Department be abolished and that a five man commission be used instead. The police commission to be made up of one member of the board of selectmen, one member to be from the school board, and the remaining three to be elected by the people at the regular town meeting. To get the commission in operation, the three members shall be elected from the floor at the next town meeting, March 12, 1968. None of the members can be members of the police force. One of the elected commissioners to be elected for a period of three years, one for a period of two years and the last for a period of one year. Thereafter each shall run for a three year period one to run at the regular annual election, the position to be open to anyone except members of the police force.

B - That the police commissioners be paid the salary of $100.00 annually in addition to any amounts

they may be paid for other town offices OR;

C - That the members of the commission serve at no salary.

D - Duties are to appoint police chief and with his help appoint other officers both full time and part time. Define their duties, recommend salaries or increase, set up schedules, set up classifications and standards, approve all bills and make annual reports, leaving police departments to do police work. This would be done at monthly meetings.

E - That the sum of $10,000.00 be appropriated for the addition of two full time police officers. Or;

F - That the sum of $5,000.00 be appropriated for the addition of one full time police officer.

G - It is moved that the sum of $3,500.00 be appropriated for the purchase of another police cruiser to be purchased through the State Purchasing Agent. (inserted by Petition)

15. To see if the Town will vote that as many items as possible be purchased through the State Purchasing Agent, a procedure made possible by laws passed in 1943 and amended in 1949, Chapter 227:1 (Inserted by Petition)

16. To see if the Town will vote that all boards and commissions, appointed or elected, make an annual report in the Town Warrant spelling out what was done, what monies were spent and what the expenditures were for; and that any board of commission not doing this within one year after this article is adopted be ended and all monies not spent or accounted for be returned to the Town. (Inserted by petition)

17. To see if the Town will vote that the members of the Board of Adjustment and the members of the Planning Board be elected by secret ballot at the annual Town Meeting, instead of the members of these boards being appointed as is presently being done; and that for the year 1968 the members of the Boards be nominated and elected from the floor, one member of each Board for a three year term, one member of each Board for a two year term and one member of each Board for a one year term and thereafter, at each annual meeting one member of each Board be elected for a three year term. (Inserted by petition)

18. To see if the Town will vote that all applications made to the Planning Board, or to the Board of Adjustment, be printed in at least one paper, The Union Leader, at least one week before the next meeting to hear the application, said publication to be one column wide and one inch or more in height; that such applications be posted in as many public places as possible; that such application state the name of the applicant, his address, the address of the property involved, the nature of the application and the date of meeting; and that all applications of the Planning Board and Board of Adjustment be printed in the annual Town Report, showing the same information as contained in the application and the disposition of the matter. (Inserted by petition)

19. To see if the Town will vote that the Selectmen discontinue the practice of printing the names of the signers of petitions for articles to be placed in the Town Warrant. (Inserted by Petition)

20. To see if the Town will vote that the 1969 and all further Town Warrants contain the following article at the end of said Warrants, "To transact any and all other business that may legally come before this meeting and take any action relating thereto, including the making of appropriations to cover the same." (Inserted by petition)

21. To see if the Town will vote that in 1969 all future Warrants the article relative to the Budget Committee's Report, and the action to be taken thereon, be placed in the Warrant before any article asking for an appropriation. (Inserted by petition)

22. To see if the Town will vote that the Budget Committee confine their activities to examining the Budgets of all Departments, approving or disapproving of some and submitting a report on their recommendations to the annual meeting. (Inserted by petition)

23. To see if the Town will vote that the duties of the Moderator and the method of conducting the meeting be explained before each Town Meeting is opened. (Inserted by petition.)

24. To see if the Town will vote that the following statement be printed in each Annual Town Report. "Any article signed by at least ten (10) legal voters of the Town have to be inserted in the Town Warrant as written. Articles asking for an appropriation have to have the approval of the Budget Committee, but can be acted on if done properly. Articles containing no money appropriation are acted on without any approval from anyone." (Inserted by petition).

25. To see if the Town will vote that the following statement be inserted in each Town Warrant. "The calling of a special Town, School Board, or Precinct Meeting is done with a petition signed by 10 legal voters of the Town, and by stating the purpose of the special meeting." (Inserted by petition)

26. To see if the Town will vote that the following statement be printed in each annual Town Report. "Changes in Zoning, or Planning, can be done by presenting a petition signed by 25 legal voters stating the reason or changes to be acted upon. Petition has to be placed in time to hold two special meetings before regular Town Meeting. RSA 31:636" (Inserted by petition)

27. To see if the town will vote to raise the Selectmens' salary from its' present seven hundred dollars ($700.00) for the Chairman and Six hundred fifty dollars ($650.00) for the other two members to one thousand dollars ($1,000.00) and nine-hundred fifty dollars ($950.00) respectively.

28. To see if the Town will vote to Amend Article 1, Section B of the Ordinance Relative to new streets and Extensions of existing streets by deleting the words "twenty (20) feet" in the second line, and substituting the words "thirty-two (32) feet", so that the first sentence of said paragraph shall read as follows:

All new streets, or extensions of existing streets shall have a roadway thirty-two (32) feet in width, properly graded and graveled to a depth of twelve (12) inches.

And further amend said Article 1, Section B by adding at the end thereof the following new paragraph:

When accepted streets are paved they shall be paved to a width of thirty-two (32) feet if in a forty (40) foot right-of-way and to a width of thirty-six (36) feet if in a fifty (50) foot right-of-way.

29. To see if the Town will amend Section 5 of the Ordinance Relative to Building Permits by deleting the figure $5.00 in the second line of Sub-Section and substituting the figure $10.00 and by deleting the figure $10.00 in the second line of Sub-Section b and substituting the figure $20.00, so that said section shall read as follows:

5. Permit fees:
   a. Permits covering construction, additions or alterations not exceeding $15,000.00 - $10.00
   b. Permits covering construction, additions or alterations exceeding $15,000.00 - $20.00

30. To vote on the following question:

Are you in favor of the adoption of the amendment to the existing Town Zoning Ordinance as proposed by the Planning Board?

This question to appear on the ballot.

31. To see if the Town will vote to accept the Budget, as submitted by the Budget Committee, or take any other action in relation thereto.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and sixty-eight.

SELECTMEN'S REPORT

To All Residents of the Town of Hooksett:

We respectfully submit herewith the Selectmen's Annual Report for the year of 1967.

(1) Taxes & Growth--Even though the assessed valuation of the town continued to increase during the period on which the 1967 tax rate was based, the demand for municipal services, especially that of the school district, resulted in a budget which the additional valuation could not compensate on the 1966 tax rate, hence a substantial increase in the rate for 1967. A careful study of the charts found elsewhere in this report will afford an in depth analysis of this situation. According to the State agency charged with estimating the population increase or decrease of the communities comprising the State of New Hampshire, the Town of Hooksett has increased its population from approximately thirty seven hundred in 1960 to approximately sixty one hundred in 1967. For the first time in nearly a decade it would appear that residential growth has begun to outstrip our commercial growth--this of course means that more service is required per dollar evaluation than ever before, consequently a sharp rise in our tax rate.

(2) Reassessment--Article 9 of the 1967 Town Warrant made available the sum of $16,000. for the complete reevaluation of the town by the Tax Commission of the State of New Hampshire. This evaluation is at the present time well underway and should be completed in late spring or early summer of 1968. The 1968 tax rate will be based upon this evaluation and all property will be listed at 100% of value. In the opinion of this board, this is perhaps the most significant action taken by this town in many years. For the first time in Hooksett's history the blotter book will represent the full and true value of all taxable property located within the town.

(3) Article in the 1967 Warrant--All other articles of the 1967 warrant voted upon in the affirmative have been completed according to the provision of the same.

(4) Highway Department--As usual Mr. Bernard Zapora and his assistants have performed duties in an admirable manner. By the end of 1968, all new streets, the surfacing of which was the responsibility of the town, will be completed. The Board of Selectmen in cooperation with Mr. Zapora will then turn their attention to a program designed to maintain both old and new highways and streets in a way which should be a vast improvement over the past.

(5) Police and Fire--Chief Lindsay Rice of the Hooksett Police Department tendered his resignation to the Board of Selectmen, effective August 1, 1967. Chief Rice had served his town in this capacity for a period of approximately twenty-three years, no man could possibly have had a finer record of service and devotion to his community than that possessed by Lindsay Rice. The patience and kindness with which he faced the many difficult and frustrating problems peculiar to Police work will long be remembered by those people privileged to have been associated with him in the administration of this town.

Robert Giles, an experienced Police Officer was appointed to fill the vacancy created by Chief Rice's resignation. At the same time Maurice Boisvert was appointed as a permanent officer. The new Chief and his assistants are working hard and enthusiastically to reorganize the department on a sound and permanent basis and are apparently successful in their efforts.

Chief Collerette and Chief Law, together with the hard working volunteer fire departments of the Village and South Hooksett continue to give us excellent fire protection at an extremely low cost.

(6) Planning & Development--Our Planning Board under the able chairmanship of Warren Harvey, have just completed the busiest year since the formation of the Hooksett Planning Board.

The new sub-division ordinance took over complete control of all housing projects as of March 1967. They are now the entire responsibility of the Planning Board. The transition has been orderly but at times difficult, especially in the area of interpretation of the ordinance. Our Planning Board is the one agency that will assure orderly growth and development in this town.

Article 8 of the 1967 warrant, set up the necessary funds to make the Town of Hooksett a member of the Southeast Planning Commission. Albert Beauchesne and Conrad Crateau were appointed by the Selectmen to represent the town on this commission and we have been assured by the chairman of that organization that these men have discharged their obligations in a commendable manner. Our membership in this Commission will prove in the future, to be of inestimable value particularly in the area of water supply, sewage disposal and inter-community highways. A report of this commission will appear elsewhere in the Annual Report. The Board of Selectmen has an Industrial Advisory Council. The function of this council as the name implies is to

assist the Selectmen in inducing industry and commercial enterprizes to locate in Hooksett. Obviously, the support and interest of all Hooksett citizens is necessary for successful efforts by this council.

(7) In Memoriam--The entire town was saddened as February 28, 1967 marked the death of George A. Cook. Mr. Cook's service to his town spanned two generations. He was perhaps the last link that connected the post with the present. Mr. Cook served at various times as Selectman, Chief of Police, Road Agent, Forest Fire Warden and finally as Representative to the General Court, which position he occupied at the time of his death. Mr. Cook was a colorful and at times controversial personality, but his allegiance and dedication to the town of Hooksett never waivered. The memory of this man will be long revered by the people who were afforded the opportunity to have served with him.

(8) Conclusion--As we close this report, your Board of Selectmen would once again extend our thanks to the splendid cooperation and help given to us by all elected officials and members of the various boards and commissioners and for the general cooperation and support of all the citizens of Hooksett. We believe that the future well being of this town rests entirely with community effort.

Town Meeting will be held March 12, 1968. The polls will open at 6 A.M. The articles of the warrant will be taken up at 7:00 P.M. of the same day. May we see you there.

Sincerely yours,

Leslie M. Pike
Armand J. Roberge
Richard D. Riley

REPORT OF THE BUDGET COMMITTEE

It is the general desire of the Budget Committee that the Citizens and that the Citizens and Voters of the Town of Hooksett be well informed about the financial management of their Town. Everyone should feel a strong sense of duty to participate in this financial management and there is an excellent opportunity to do so. Prior to making any final decisions regarding the Proposed Budgets for the coming year, the Budget Committee holds a "Public Hearing" where all of the Citizens of the Town are invited to attend and are given the opportunity to review the Proposed Budgets of all departments, ask questions, and voice their opinions regarding any part of any Budget. All persons attending the meeting are provided with the prior year's budget and actual expenditures and the Proposed Budgets for the coming year, to assist them in formulating their questions and opinions. Representatives of all Departments, the School Board and the Board of Selectmen are present to explain the budgets and answer questions. The opinions expressed at the hearing strongly influence the final decisions made by the Budget Committee so we urge all Citizens to attend and participate in the future so that we will have an opportunity to really know what your feelings are relative to the Proposed Budgets and can make our decisions accordingly. Those who have been unhappy or dissatisfied with the decisions of the Budget Committee in the past should realize that the public hearing is the place to make it known and to attempt to influence the current or future decisions of the Committee.

Because a report commenting on the Budgets of all departments would be excessively long, we will attempt to comment only on the more substantial or unusual items.

TOWN BUDGETS

Town Officers' Salaries -- The Selectmen requested an increase of about $4,000.00 in this budget item and explained that they wished to raise their salaries by $300.00 each ($900.00 in total) and also wished to raise the Treasurer's and Health Officer's salaries and that they expected the Tax Collector's salary to increase by approximately $2,750.00 over the amount budgeted for 1967. We approved the increases for the Selectmen, Treasurer, and Health Officer but felt that we should investigate the Tax Collector's salary. Upon investigation we found that this salary is based on a percentage of taxes collected and because of the growth of the Town has increased from about $4,100.00, paid in 1964, to almost $6,600.00 paid in 1967, and, in 1968, it was expected to exceed $8,000.00, which would be about double the 1964 amount. Although we understand that the Tax Collector's office is being operated very efficiently, we felt that the salary should be limited to a more realistic amount which would be in keeping with the salaries paid to the Tax Collectors of other towns similar in size and population. Since the salary can only be changed by a vote of Town Meeting, we have drafted an article and petitioned the Selectmen to include it in their Warrant. The article proposes that the salary be set at $5,000.00 in 1968 and be subject to the discretion of the Board of Selectmen after that. We wish to emphasize that this action is not intended to be a reflection on the performance or efficiency of the current Tax Collector, it was merely part of our job to see that the Town pays a reasonable amount for services rendered.

Parks and Playgrounds -- The Proposed Budget of $10,405.00 has been reduced to $3,850.00 by the removal of two items. $500.00, which was requested for the purchase of a used truck, has been deleted because the Cemetery Dept. has offered to share its truck with the Parks and Playgrounds Dept. since neither would need a truck on a full-time basis. $6,055.00, requested for construction of a double tennis court at Arthur Donati Memorial Field was also deleted because it was brought out at the public hearing that the School Board does not consider the proposed site, which is in the vicinity of the Village School, available for that purpose. Perhaps the item can be considered again in the future when another site can be found but we would like to recommend that, at that time, the specifications be clearly drafted and that competitive bids be secured so that we may consider the problem with more information available to us.

Police Department -- The rapid growth of the Town has made it necessary to expand the police force from one to two full-time officers and "around-the-clock" use of the cruiser will necessitate its replacement in the coming year. These facts account for the majority of the almost $13,000.00 increase in the Proposed Budget for 1968 over the 1967 budget. The Budget Committee unanimously approves of the increased police protection being made available to the Citizens of the Town.

Public Welfare -- The State laws regarding Child Care have placed a greater burden than usual on the Town and are primarily responsible for the $2,500.00 increase in the "Town Poor" budget. Every attempt is being made to keep the expenditures to the minimum but our local officials have little control over payments required by State law.

Sewer Commission -- It was necessary, due to State requirements, to have a new leach field installed at the Sherwood Forest Development and the cost of over $6,000.00 is included in the 1968 Proposed Budget and accounts for the majority of the increase in that budget over the 1967 amount. It is possible that the Town may be able to recover all or part of these costs from the Developer.

Long Term Debts - Principal and Interest -- Substantial increases in amounts budgeted for these items were necessary due to the funds borrowed for construction of a sewer system and treatment plant, which was approved at a Town Meeting in the past.

Articles of the Town Warrant

Article #8 -- The request for $500.00 to be used to erect a memorial bronze plaque, etc. was approved by the Budget Committee.

Article #10 -- As previously indicated the Budget Committee is the sponsor of this article and has approved it.

Article #11 -- The request for $20,000.00 for a new combination pumper and tanker for the South Hanksett Fire Dept. was approved by the Budget Committee.

Article #14 -- The Budget Committee has disapproved all requests for funds included in this article. It was brought to our attention that the proposal to form a police commission is invalid under state law and since the problems of increased manpower and a new cruiser have, in our opinion, been adequately provided for in the Police Dept. Proposed Budget we can see no need for the funds requested.

WATER PRECINCT BUDGETS

No more than a brief comment is necessary relative to the budgets of the Water Precincts. Only very minor increases have been requested in their budgets and since we have no reason to believe that they are not operating efficiently and economically, we have approved their budgets as proposed. In our opinion, the dedicated men operating these departments deserve the the gratitude of the Town for a job well done.

SCHOOL DISTRICT BUDGETS

Although the total amount of the proposed 1968-69 budget represents a substantial increase over the 1967-68 budget we feel that the School Board

has done a fine job in attempting to keep expenditures to a minimum while providing excellent facilities for the rapidly increasing enrollment. The most substantial increases are noted and commented upon briefly below:

Teachers Salaries -- It was necessary to adjust the salary schedule again to maintain a reasonably competitive position in attracting and holding teachers in our school system but the greatest part of the approximately $40,000.00 increase is due to the addition of new teachers because of the increased enrollment in our schools.

Pupil Transportation -- Increased enrollment will make it necessary to add another school bus to the fleet now in operation and the $7,000.00 increase in this budget will cover the driver's salary and other operating costs.

Operation of Plant -- Expansion of schools and increased use of available classrooms account for the increased operating costs of about $8,000.00 proposed for the coming year for heat, light, custodial services, etc.

Fixed Charges -- Increased social security taxes and teachers' retirement costs, beyond the control of the School Board, account for the bulk of the over $5,000.00 increase in this category.

Payment of Debts -- The increase of over $30,000.00 is due to the payment due this year of principal and interest on funds borrowed for the construction of the addition to the Village School.

Tuition -- Amounts paid to other cities for high school tuition is expected to increase by about $60,000.00 because of both increases in the tuition charged and the number of students enrolled.

Articles: --

1. An article has been submitted by the School Board proposing the purchase of two (2) new school busses at a cost not to exceed $14,000.00. The article is approved by the Budget Committee as a cost necessary due to increased enrollment and the normal requirements of replacement of equipment.

2. The School Board has inserted an article requesting $22,000.00 to cover deficit spending in the 1966-67 year. Upon careful investigation we have found that the causes of the deficit were beyond the control of the School Board and could not have been anticipated when they prepared their budget for that year. We approve the request.

3. An article has been inserted by petition proposing that the salaries of the members of the School Board be raised. We heartily approve of the idea of increasing the salaries of the dedicated members of the School Board but we must submit this article without recommendation since the wording of the article left us uncertain as to the proposed amount of the increase. We propose that this be clarified at the School District Meeting and that the Voters act accordingly.

CLOSING COMMENTS

We wish to express our thanks to all of the Town Officials, Citizens and others without whose help we could not have accomplished our job within the short period of time available to us.

Respectfully submitted,

THE BUDGET COMMITTEE

Hooksett Citizen of the Year

1967

Mrs. Sarah Hardy, retired town tax collector, was named Hooksett Citizen of the Year by the Hooksett Men's Club for the Year 1967. Mrs. Hardy was tax collector for eighteen years. Before becoming tax collector she assisted as town clerk when her husband held that post in his home. Mrs. Hardy is the second woman to be named for the honor and is the first husband-wife naming. Her husband, Charles Hardy, was 1961 Citizen of the Year. Arnold Green of the Men's Club is presenting the plaque.

SEWER COMMISSION

BOARD OF SEWER COMMISSIONERS ANNUAL REPORT

The current Baard of Sewer Cammissianers was elected at the Tawn Meeting held Tuesday, March 14, 1967. At its arganization meeting an March 24, 1967, the Baard elected Ray Langer as its chairman.

The first act af the Cammissianers was ta determine the Baard's legal responsibilities. Mr. Danald Waadbury, Attarney for the Tawn, advised that the Baard af Sewer Cammissianers wauld act far the Baard af Selectmen in regard ta administrative functions pertaining ta all Haaksett sewer facilities. He further recammended that the Baard af Sewer Cammissianers wark with the Baard af Selectmen in determining policies of the sewer cammissian.

In arder to have a camplete understanding af these abjectives the Baards of Sewer Cammissianers and Selectmen met an April 5, 1967 at which time, in addition ta the abave mentianed duties, the problems of funds far the Baard ta carry an its wark, affice space, files, and affice haurs was discussed and salutians arrived at. A date af May 4, 1967 was arranged as a general "get-acquainted" meeting ta intraduce the Baard of Sewer Cammissianers ta members of the praject engineering firm of Marganrath Assaciates and members of the State Water Pallutian Cantral Baard.

At the May 4th meeting the Baard af Sewer Cammissianers was made acquainted with the general aspects af the program and anticipated finances. It was at this meeting that the State representatives advised that under the statutes approved by the tawn, the Baard of Sewer Cammissianers would be the autharity responsible far awarding the final cantract and far handling all af the details priar, during and subsequent ta construction.

As a result af the discussians at this meeting the Chairman af the Baard af Sewer Cammissianers was designated as the Tawn of Haaksett's autharized representative ta apply far and accept Federal and State Grants cancerning sewerage systems and sewage treatment facilities.

On 24 May 1967 an applicatian far a Federal Grant far Sewage Treatment Facilities for $1,106,500 was farwarded ta the Department of Health, Education and Welfare. On August 18, 1967 a Federal Grant af $640,500 was affered and accepted. This initial grant was being made in the amaunt of 30 per cent af the eligible cast. In additian, upan appraval af the State matching grant pragram the Tawn became eligible for an additianal $213,500. The papers for this part af the grant are naw being pracessed. When the Secretary af the Interior appraves the State af New Hampshire's State Water Quality Standards the Tawn will became eligible for an additianal $213,500 making a tatal of $1,067,500 in awards the Tawn af Haaksett will receive fram the Federal Government.

In additian ta this the Baard af Sewer Cammissianers has made applicatian ta the Department of Hausing and Urban Development for additianal funds in the amaunt of $115,000 ta aid in defraying the anticipated cast af building laterals ta the main interceptars which laterals are not eligible far federal funds. It is also anticipated that $885,200 will be farth coming fram State Grants over the financing period af the bands.

In Octaber the Baard of Selectmen completed negatiatians far the sale af $1,475,000 in Municipal Sewer Bands at 4.2 per cent interest. While a partian af this maney is available ta the Baard af Sewer Cammissianers ta finance its purchase of easements and ta pay the casts af the praject engineers, the majar part is warking far the Tawn af Haaksett at a higher rate of interest.

Left to right: Robert Morin - Raymond Langer - William Miller.

While the main reason for the Board of Sewer Commissioners existance, the construction of the sewerage system, lags, the problems of every day living keep the Board active. Early in the summer it was found that the State Highway Department would not approve the connecting of the sewage system for the Village School to the existing drains in South Main Street. After discussions with the engineers in the Highway Department, the State Baard of Health and the Water Pollution Control Board the Board of Sewer Commissioner projected a plan acceptable to all concerned. Septic tanks for pretreatment were installed and instead of having to build a leach field at an estimated cost of approximately $25,000 the state agreed to allow us to pump the treated liquids into the existing drains at a savings of over $17,000.

The Board, at the direction of the State Water Pollution Control Board and under its supervision has had to rebuild the leach field at the Sherwood Forest Development to eliminate a serious health hazard.

Negotiations have been concluded for the Majority of easements required to cross private lands when the main interceptors are installed. At this time there are still a few loose ends to tie up but the Board expects them to be concluded before the final contract is let out for bidding the end of January. It is hoped that by the time of the Town Meeting in March further information will be available.

In accordance with the directives of the statutes under which this Board was elected the Board has discussed and approved a set of sewer ordinances and a permit system designed to control the installation of sewer lines into the public sewer system. In addition to specifying how the system must be installed they provide for a system of final inspections prior to covering the pipe. These ordinances are intended to protect the homeowner and the Town of Hooksett from future problems which may and do arise when shoddy methods of installation are used. Please secure a permit from the Board of Sewer Commissioners prior to breaking ground for the purpose of laying, entering, repairing or altering any main drain or common sewer. They are available at the Office of the Board of Sewer Commissioners at the Municipal Building. Office hours are maintained on the first and third Wednesday between the hours of 7 and 9 p.m.

Ray F. Langer, Chairman
Robert C. Morin
William Miller

CEMETERIANS COMMISSION REPORT

1967

Because of the heavy rainfall this year and the resulting lush growth, our two caretakers have spent much more time than usual cutting grass. Other activities this year include replacing the old fence at Riverside Cemetery with a new one and extending the fence at the new development at Heads Cemetery.

We have been asked a number of times as to what proportion of time is spent at each of the four cemeteries. This year the percentages were: Head Cemetery 53 per cent, Martin Cemetery 30 per cent, Riverside Cemetery 11 per cent and the Cote-Davis Cemetery 6 per cent.

Plans were made to pave the road immediately north of the Chapel at Head's but early onset of cold weather prevented it. It is hoped that this road and the one south of the Chapel can be paved in 1968 as both of these roads wash out in heavy rains. We hope to continue improvements by creating new lots at Martin's and at some future time a mausoleum or other memorial at the new development at Head's Cemetery.

Respectfully submitted,

Hector Vincent
Ernest Gauld
Lionel F. Laplante, Chairman

PLANNING BOARD

The Planning Board has held seventeen regular meetings, three special meetings and two public hearings during 1967. Planning Board members are: Warren Harvey, Chairman, Albert Beauchesne, Co-chairman, Nelson Lambert, Ralph Page, Roland Levesque, Armand Roberge and Conrad Croteau, who replaced Roland Therrien in October of 1967. Roy Cowell, a member of the Southern New Hampshire Planning Commission, attends Planning Board meetings and serves in an advisory capacity.

Additional funds for the Urban Planning Assistance Program, also called the 701 Program, have been allocated by the Federal Government but have not been released. Hooksett's application has been approved and the money for implementation should be received before July, 1968. The voters of the Town have appropriated $7,535.00 during the last two years, which is being held in escrow, as the Town's share of this program. The Federal Government will contribute approximately $16,570.00. The firm of Metcalf & Eddy, Inc., of Boston, Mass., have tentatively been engaged to conduct the planning survey.

The Planning Board has been cooperating with the Southern New Hampshire Planning Commission for our mutual aid and assistance in present and future planning projects. Albert Beauchesne and Conrad Croteau serve as the Town's two representatives on this Commission.

During the past year the Board proposed an amendment to the zoning ordinance. This was submitted to the Town and was approved as recommended by the Board.

Members of the Board have witnessed the rapid and orderly growth of our Town during the past year and are convinced this growth will continue in a manner beneficial to all Hooksett residents.

Respectfully submitted,

Barbara Tassie, Clerk

Respectfully submitted,

Darothy M. Squire, Clerk

Back row left to right: Melvin Johnson - Paul Howe - Gilbert Fay.
Front row left to right: Dorothy Squire, Clerk - Adelard Gagnon, Chairman - Guy Campbell.

SOUTH HOOKSETT FIRE DEPARTMENT

Annual Report - 1967

We are pleased to begin our annual report by mentioning that a total of only 33 alarms were received during the year. According to our records, this is the lowest number of calls in 13 years. These fires involved property valued at approximately $244,500.00 and the damage to these properties was estimated at $15,450.00. It required a total of 514 manhours from the members. There were a variety of calls which included: 7 for building fires; 4 for auto and trucks; 2 for mobile homes; 7 brush fires; 1 chimney fire; 1 snowmobile fire; 3 calls for the Town dump; 3 false alarms; and 1 emergency call. Also included were 4 calls for mutual aid assistance, 2 from Hooksett Village and one each from Pembroke and Allenstown.

Three members resigned during the year. Resigning were: Gerard Labore, Henry Silkman and James Lodge. To fill these vacancies three new members were accepted after completing the prescribed training course. They are William Lavalley, Harvey Champagne and Gerald Desrochers.

Five members were awarded certificates for attending the annual New Hampshire Fire Chief's Club Training School at Fitzwilliams. Those completing this course were Norman Morrissette, Paul Larocque, William Lavalley, Gerald Desrochers and Kenneth Silkman.

Some of the major improvements to the Department this year included an addition of one 30 minute self contained breathing pack which was purchased with matching funds thru Civil Defense. Two additional home radio monitors were added to bring our total to eight now in service. Also added was an electronic siren on Engine No. 1 to replace a defective model.

As you will see in the warrant, we have inserted an article for the purchase of a new combination pumper and tanker. This is to replace our 1939 Dodge tanker which will be retired in the spring because it has become unsafe to be used on the highways, especially as an emergency vehicle. This rig has been in service for the past 27 years. It was purchased and remodeled twice by the Department at no cost to the Town. The new apparatus will be a Class A 750GPM combination pumper with a water capacity of 1,000 gallons and will be similar to the rig purchased in 1964.

Major improvements to the exterior of the building are contemplated for the coming year. Since this station is located in a residential area we believe that it should blend with the surrounding properties. Plans are for two coats of point of a color that will blend with the surroundings and also new steel letters for the front of the building. Planting of some trees will also be part of the project.

A total of 22 permits were issued for the installation of power oil burner equipment. Of this total seven required re-inspection before operating permits could be issued.

ANNUAL REPORT OF FOREST FIRE WARDEN

The Town of Hooksett has answered five Forest Fire calls during 1967. 1 call for aid to Allenstown. A total of 2½ acres was the area burned. This is 25 acres less than the previous year. We were very lucky to have lots of rain during the summer keeping the woods wet. Also burning permits were specified to burn before 9:00 A.M. in the morning or after 5:00 P.M. in the evening. The total of fire permits issued were 235 for 1967. We have added to the Forestry a 1200 Gallon Tanker Truck and also overhauled the 4 Wheel Drive completely so that all Forestry Equipment is in A-1 condition.

EXPENDITURES

Cost for all Frest Fires	$ 325.10
Cost for 1200 gal. truck from Air Force to convert into Forestry Truck such as steaming, straightening bumps, scraping old paint, pointing and piping, new clutch and battery, hose rack, set of chains and all lights necessary	550.85
Overhauling 4 wheel power wagon as to new rings, valves, new pressure plate, clutch, repairing radiator, universal joints, carburator, distributor shaft etc.	422.86
Two way radio for 1200 gal. forestry truck which will answer any alarm summer or winter where water is not available	489.95
Total Expense	$ 1,788.76
Total Appropriation	2,000.00
Total Refund from State Forest Service	623.97
Total Amount available	$ 2,623.97
Balance of Appropriation	$ 835.21

SCHOOL BOARD REPORT

FOR 1967-68 SCHOOL YEAR

"Change is the foundation of progress" according to a Greek Philosopher back in 760 B.C.: and since the spiralling demands for changes in our Educational system occasioned by the constantly increasing influx of students and the changing demands of our economy is considered progress the old sage was right.

Hooksett has recognized that changes in our school facilities, our teaching staff and our curriculum would serve our children more efficiently than in previous years.

Hooksett has heeded the necessity for these changes and acted to offer its children the ultimate benefit these changes could provide.

A new addition to the Village School now in the process of completion is the latest in the expansion of Hooksett's school facilities.

However, the rapidity with which change follows upon change in all sectors and at all levels of our Educational system is disconcerting to say the least.

New products, new techniques, new materials are keeping School Boards heads spinning. Add to this the educational climate with competitive threats from surrounding school systems, increased militancy on the part of available teachers, coupled with a growing lack of trained and experienced teachers plus the impact of Government on the Educational process and they all combine to make the School Board's job infinitely more complex than even 5 years ago.

Normally we find change exciting, but with changes occurring so rapidly and piling one upon the other goes a degree of uncertainty.

Are we keeping abreast of all these demands? Are we providing the right facilities, the right teachers, the right courses of study to make our children's education meaningful, arrest their attention and impart genuine learning to equip them for life outside the classroom?

With spiralling costs are we paying too much or too little for our children's education? We have critics who maintain we are doing both.

While it is unwise for us to pay too much, we believe it is worse for us to pay too little. If we pay too much we only lose an amount of money. If we pay too little we could lose everything, if what we bought was incapable of doing that which it was bought to do. There is a common law of business balance which prohibits paying a little and getting a lot - it just cannot be done. If we always deal with the lowest bidder, we must add something for the risk that we run, and if we do that we will have enough to pay for something better. Quality is never an accident. It is always the result of intelligent effort and it not only applies to building materials, but to teachers, to administration, to curriculum as well. All works of quality must bear a price in proportion to the skill, time, expense and risk attending their creation. Thus everything has its proper and true worth at any given time, in relation to everything else.

What about our children? They are the reason for all this effort and expense. What problems must they face in a rapidly expanding world and how can our educational system best equip them for the tomorrows that will certainly come?

Riding the crest of the nation's affluence, our children have both the time and the opportunity to view the world critically. If not always in the proper perspective. Perhaps at some unconscious level they are afraid there may not be a future; that in a flash their world could be snuffed out. In any event, television has not only made them more worldly than we parents were at their age, it has reinforced their contact with the Quickened Tempo of the present.

It is this pace of change which, not surprisingly, makes their future less easy to define in terms of any blueprint as to how things will be. Where previous generations had the advantage of a gradual transition

Arthur Sanborn - James VanVliet - Gerard Handley

period between childhood and maturity, their generation has had virtually no period of "innocence". TV and the Mass Media has changed all that. Thus, for our children no subject is taboo, no area of life a mystery.

With an ever larger percentage of Mothers joining the work-force, close family relationships have often suffered and as the world has grown so large, the amount to be "known" or learned or absorbed so enormous with the pace of change so staggering it is not surprising that our children tend to direct their search for value and meaning within themselves.

Nowhere is this smothering effect of size more apparent than in our schools. The mere pressure of numbers has created a new threat of impersonalization. Teachers are faced with a conflict between providing students with a challenging learning experience and the steadily growing mountain of accumulated information that our children must absorb if they are ever to become "expert" in any single field.

All this fosters a condition of insecurity to which our young people are particularly sensitive.

It would seem there is little that parents or teachers can do to stem the materialistic tide which continues to sweep our country since it is constantly stimulated by the needs and desires of the body, but certainly there can be a greater emphasis placed upon the social sciences by both parents and teachers. We can also see to it that clear cut principles, with plausible and rational reasons for policies plus action and direction are given our young people instead of the dishonesty, uncertainty and lack of decisiveness that is played up so often today.

Lack of communication is not the barrier between adults and young people that it used to be, but *misinformation* is and never was a barrier more worth breaking down. It is therefore in this area that parents and teachers can be of real help to our young people. We hope you will feel it is as important as we do.

Arthur B. Sanborn
Gerry Handley
James Van Vliet

SCHOOL BOARD OF HOOKSETT

SUPERINTENDENT'S REPORT

	ADM.
1957-68	435.4
1962-63	605.4
1967-68	849.8

Hooksett's enrollments continue to grow at a rapid rate. While the percentage of increase from 1957-58 to 1962-63 was 39 per cent the increase in the next 5 years was 45.6 per cent. At this moment we anticipate from 970 to 1000 pupils for 1968-69. This could be somewhat less than 970 but with continued growth the top figure of 1000 could be exceeded. With the expanded facilities at the Village School, Hooksett will have enough classrooms for a few years but if the rate of growth of the last 5 years continue all classrooms will be in use in 6 or 7 years and will fill to maximum capacity in about 10 years. Hooksett's rate of growth must be watched very carefully year by year.

Increased facilities and enrollments mean expanding budgets, but it must be noted that Hooksett's estimated pupil cost for the current year is $373, while the state average is $440. This is good evidence that money is not being wasted and also that we are not offering an educational program as wide in its scope as are many others. If the rate of growth should decrease it would then be desirable to consider expanded educational programs for grades 7 & 8 *particularly*.

Your support of the Hooksett Schools has been excellent and is sincerely appreciated.

Respectfully submitted

C. Maurice Gray
Superintendent

With an ever-increasing number of pupils to be accommodated, local school districts are confronted with the problem of trying to provide quality education in the face of a teacher shortage destined to continue for at least a few more years. Because it is nation-wide, the matter of attracting competent teachers to a community has had to assume a new dimension in recruiting. Compared with an era when teachers applied directly for a position, the school superintendent now must spend much time and energy in directing a campaign designed to focus the attention of teachers on a particular community. Failure to go to sources of supply leaves a town with little choice but to fill its classrooms with individuals who are teachers in name only.

In the spring of 1967, the superintendents of New Hampshire were in the process of attempting to fill nearly 1900 vacancies, over 800 of which were at the elementary level. These vacancies represented a 44 per cent increase over 1965, when it already was apparent that the supply of teachers was critical. The problem was further compounded with relatively small classes of teachers being graduated from New Hampshire colleges; only 132 elementary teachers were granted degrees by the state colleges at Keene and Plymouth in 1967.

Never before has it been as imperative that an entire town bend its efforts in the quest for capable teachers. School boards and administrators need sympathetic support in staffing, equipping and maintaining schools. Additionally, teachers are sensitive to community attitude; they have little inclination to seek employment in a district where there is only minor regard for education. In the final analysis, all of the inhabitants of a community exert a direct influence on the kind of an educational program that is offered. Failure to render support will lead to inferior instruction in the school system. Ultimately, society in general will be the real loser, for those children who have been short-changed in school will be unable to make contributions in keeping with what was their potential.

Roland L. Schoepf
Assistant Superintendent

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF HOOKSETT QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Hooksett Memorial School in said District on the 8th day of March 1968 at seven thirty o'clock in the evening, to act upon the following subjects:

1. To see if the District will vote to accept the provisions of Public Law 89-10 (Elementary and Secondary Education Act of 1965) designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the District under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

2. To see if the District will authorize the School Board to accept on behalf of the District, all Federal or State Funds for the aid of Education or School Construction, should any such funds become available.

3. To see if the District will vote to raise and appropriate the sum of Fourteen thousand Dollars ($14,000.00) for the purpose of purchasing two (2) 66 passenger conventional school Busses, such sum to be raised by the issuance of not exceeding Fourteen thousand Dollars ($14,000.00) in Serial Notes under the provisions of RSA 33, said notes to be amortized over a period of five years.

4. To see if the District will vote to raise and appropriate the sum of Twenty-two thousand Dollars ($22,000.00) for the purpose of covering the deficit for the 1966-67 fiscal year, said deficit being caused primarily because of an increase in High School tuition occurring after the Budget for that year was accepted.

5. (By Petition) To see if the District will vote to discontinue the present system of appropriating the money for any major repair, addition, or building years before the taxpayers find out what they would be getting; and to substitute the following method of appropriation in place thereof: - Proposals, including specifications for all phases of construction, including exterior and interior walls, floors, ceilings, insulation, windows, electrical and communications, plumbing, heating, landscaping, playgrounds, etc. be presented at the regular School District Meeting held annually, and that architects or others be available to discuss and explain to the taxpayers of Hooksett what is going to be done; and that all emergency work shall be authorized in the same manner.

6. (By Petition) To see if the District will vote to have all school busses owned by the District numbered and the costs of gas, and oil, tires, maintenance, and repairs be listed for each bus in the annual report of the District.

7. (By Petition) To see if the District will vote to discontinue the present method of purchasing school busses; that all truck dealers within 10 miles of the boundaries of the Town of Hooksett be allowed to bid on the sale of new busses to the District; and that the specifications not exclude any of such dealers.

8. (By Petition) To see if the District will vote to instruct the School Board to purchase as many items as possible through the State Purchasing Agent.

9. (By Petition) To see if the District will vote to increase the annual salaries of the Members of the School Board to either Eight hundred Dollars ($800.00) for the Chairman and Seven hundred fifty Dollars ($750.00) for each of the other two members, or to One thousand Dollars ($1,000.00) for each of the three members; and to raise and appropriate the necessary funds therefore.

10. To see if the District will vote to accept the Budget as submitted by the Budget Committee, or take any other action in relation thereto.

Given under our hands and seal this 15th day of February, A. D. 1968.

SCHOOL BOARD OF HOOKSETT, N. H.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 28, 1967

The School Board
Hooksett School District
Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hooksett School District for the fiscal year ended June 30, 1967, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1966 and June 30, 1967, are presented in Exhibit A. As indicated therein the Net Debt decreased by $30,241.36 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of $14,900.65, less a revenue surplus of $4,555.31, resulted in a net budget deficit of $10,345.34.

Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1967, is indicated in Exhibit E-2.

School Lunch Program Account: (Exhibit F)

A statement of the School Lunch Program account is included in Exhibit F.

Building Fund Account: (Exhibit G)

A statement showing the activity in the Building Fund account during the fiscal year is presented in Exhibit G.

School Tax Account: (Exhibit H)

Exhibit H presents a statement of the School District Tax account with the Town of Hooksett. As indicated therein, as of June 30, 1967, the School District had received the total of the 1966-67 School Tax in the amount of $458,984.97, plus an advance of $10,300.00 on account of the 1967-68 School Tax. The amount of the advance is included as a liability account in the balance sheet of June 30, 1967.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1967, showing annual debt service requirements, is contained in Exhibit I.

GENERAL COMMENTS

Current Surplus or (Deficit):

The current financial condition of the School District changed from a current surplus (excess of total assets over current liabilities) of $9,031.60, to a current deficit (excess of current liabilities over total assets) of $11,121.00 during the fiscal year ended June 30, 1967, as shown herewith:

	June 30, 1966	June 30, 1967
Total Assets	$21,952.36	$11,604.94
Current Liabilities	12,920.76	22,725.94
Current Surplus - (Deficit)	$ 9,031.60	($11,121.00)

Overdraft of Appropriations and Application of Municipal Budget Law:

As indicated by Exhibit D (Budget Summary), there was a net overdraft of appropriations of $14,900.65. In other words, - - - total expenditures exceeded budgetary appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	$22,352.27
Unexpended Balances of Appropriations	7,451.62
Net Overdraft of Appropriations	$14,900.65

In accordance with the provisions of the Municipal Budget Law (R.S.A. 32:10) which has been adopted by the Town of Hooksett, in case of an emergency which necessitates making an expenditure in excess of budgetary appropriations, the School Board, with the approval of the Town budget committee, is required to apply to the State Board of Education for a certificate authorizing such emergency spending. The records do not indicate that this requirement was fulfilled.

Chapter 32, Section 10 of the R. S. A., is quoted herewith:

"Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the tax commission and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes."

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hooksett School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler

Certificate of Audit

This is to certify that we have examined and audited the accounts of the Hooksett School District for the fiscal year ended June 30, 1967. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1967, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler

Alfred Collerette, Fire Chief

HOOKSETT VILLAGE FIRE DEPT. #1

1967 Report

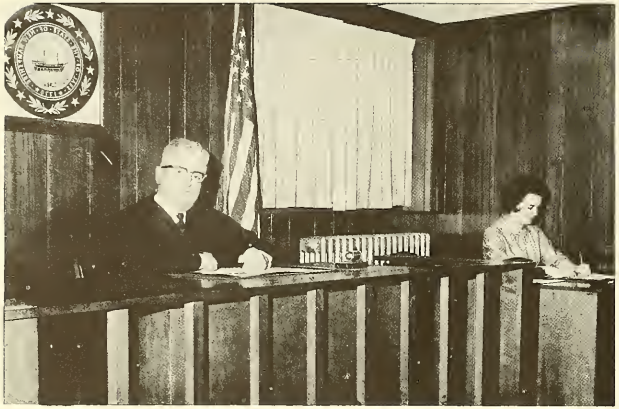
During 1967 this Department answered thirty-nine alarms. This is a decrease of 6 alarms over 1966

6 Grass and brush fires
5 House fires
2 Chimeny fires
5 Truck fires
8 Car fires
1 Trailer fire
1 Pot oil burner
1 Rescue for boat and men
1 Grease or stove fire
2 Calls for use of resuscitator
1 Mutual aid call for house in Allenstown
1 Mutual aid call for barn and house in Pembroke
2 Mutual aid call for standby for Pembroke
1 Mutual Compact drill in Pembroke
2 Calls washing gas off highway after accidents

During 1967 we have inspected the installation of thirty-eight oil burners and found eight which were not within the requirement. These were corrected and reinspected. We have also inspected three foster homes for children.

We are asking $1,000.00 increase in our Budget so as to be able to raise the pay for firefighters from $1.40 to $1.75 and Officers from $1.50 to $2.00 per hour. It is very difficult to take men from labor where they can earn from $2.50 to $3.00 per hour and leave for $1.40 per hour. The maintenance on our twenty-seven year old Dodge is very high as replacement parts are not available and we are giving thought towards its replacement in the future.

Alfred Collerette, Chief



Judge Cate

Police Department

Front row left to right: Deputy Chief Maurice Boisvert - Edna Boisvert - Chief Robert Giles.

Police Department

To All Residents of the Town of Hooksett:

Since my appointment last July I have tried my best to give the town of Hooksett twenty-four hour Police protection seven days a week. To do this, a full time night police officer was appointed and also a full time Special Officer whose duties are to cover the hours from 7:00 P.M. to 11:30 P.M. when the night man comes on. The Special officer also works the night man's nights off, and works as much as possible on the week-ends to give me some time off. At present, the Chief of Police is on duty eleven and a half hours a day.

Since acquiring this office I have come to realize just how busy this department can be. We answer on the average of fifteen complaints pertaining to dogs a week, twenty-five other types of complaints such as fights, intoxicated persons, unfounded complaints and the like. Add to this the patroling of roads, traffic duty at fires, schools, churches, escorting funeral processions through and to town, patroling school bus routes, one can readily see just how busy your Police Department can be.

Nevertheless, with your help, it is my goal to give you as much if not more Police coverage in the future.

Robert D. Giles

Chief of Police

Visiting Nurse Association

194 Concord Street, Manchester, N. H.

The services of the Visiting Nurse are available for all residents of Manchester, Auburn, Candia, Bedford, Goffstown and Hooksett regardless of race, creed, age, or ability to pay. The Association is a Home Health Agency certified to care for Medicare patients.

The Visiting Nurse provides bedside care and treatment according to the direction of the patient's physician. She gives the nursing care and teaching that are needed for the rehabilitation of the patient. Physical Therapy is available by Registered Physical Therapists. Instruction in maternal and infant care during pregnancy and to mothers with new babies is another important part of the service. Classes for Expectant Parents are held Spring and Fall.

The Visiting Nurse is also a teacher who gives family health guidance.

In Hooksett, Mrs. Ethel Porton, R.N. and now Miss Ann Wagner, R.N. admitted 34 new cases during 1967, 7 of whom were on Medicare.

The physician, patient, family or friend may call the Visiting Nurse Association for service. Call 622-3781, Monday through Friday between 8-4:30. The office is located at 194 Concord Street, Manchester, N.H.

Dec. 31, 1967

Board of Selectmen
Hooksett, N.H.

Report Of Forest Fire Warden & District Chief

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the commonsense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material - use the ashtray.

REPORT OF THE ROAD AGENT

REPORT OF THE ROAD AGENT

To the honorable Board of Selectmen and Citizens:

I herewith submit for your approval my fifth annual report as Road Agent for the year ending, December 31, 1967.

RUBBISH COLLECTION

Due to no fault of our own, the rubbish truck was in a collision and was demolished beyond repair. A new truck was purchased for $8,352.00, of which a settlement of $5,267.12 was made.

Labor	$ 8,866.25	Budget Appropriation	$20,500.00
Material & Supplies	1,803.94	Cr. from Ins.	5,267.12
Police & Fire Guard	1,593.00		$25,767.12
New Truck	8,352.00		
	$20,615.19		

WINTER

We have used 1,063 tons of sand & gravel, 136 tons of salt and 27 tons of cold patch and plant mixed asphalt for the upkeep of the town roads.

Labor	$13,581.23	Budget Appropriation	$17,500.00
Material & Supplies	5,237.15	Credits	2,295.49
Hired Equipment	2,983.00		
	$21,801.38		

SUMMER

We have used 2,221 tons of sand and gravel and 136 tons of plant mixed asphalt. Four new man holes have been added and four hundred feet of culvert pipe.

Labor	$13,794.01	Budget Appropriation	$17,500.00
Material & Supplies	6,095.83	Credits	5,038.65
Hired Equipment	2,625.08		$22,538.65
	$22,514.92		

NEW CONSTRUCTION

Paving was done on the following new streets, Summit and Vista Drive. Heather Hill and Ardan Drive. Kennedy Drive, Merrill Drive, Ray Drive, Short Ave. and Grant Drive. Stearns Ave. Extension, Bell Ave. & Lebanville Ave.

Budget Appropriation	$13,000.00
	11,201.30
	1,798.70
	$13,000.00

RESURFACING

The following streets were liquid asphalted, Pine St., Cyr Drive, White Oak Drive, Maple Street, Birch Hill Drive, Alice Ave., Pinnacle Street, Rosedale Street, Hackett Hill Rd., Bow Road, Cross Road, & Leonard Ave.

Truck hire	$ 1,062.00	Budget Appropriation	$ 6,000.00
Liquid Asphalt	3,880.19		
Sand	1,057.81		
	$ 6,000.00		

GENERAL EXPENSE

Telephone & Lights	$ 362.42
Fuel for garage & front end loader	570.43
Service Station type fuel pump	175.00
Supplies-Grease, oil, parts & repairs	2,982.19
	$ 4,090.04

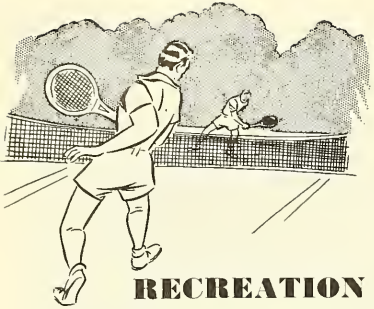
Service station type fuel pump is used to pump fuel from tank to loader.

SPECIAL APPROPRIATION

Plowing parking lots		Appropriation	$ 1,000.00
Truck hire and labor	$ 746.00		

HIGHWAY DEPARTMENT INVENTORY

1948 Austin-Western grader
1948 Snow wing and dozer blade
1957 Battery charger
1958 Garage type compressor
1958 Air grease gun
1966 Snow blower
1959 Air wrench-1 in drive
1966 Ford dump truck
2 Goodroads 2 way snow plows
2 Nine ft. Frink wings
1½ ton chain fall
1963 Mack dump truck
1967 Mack load packer
1963 Gas powered sander
1964 Gas powered salt loader
1964 Viking snow plow
1965 Chain Saw
1965 Lawn mower
1966 Michigan 2 yd. front end loader with backhoe
Heavy duty-floor type hydralic jack



RECREATION COMMISSION

1967 ANNUAL REPORT

To the Board of Selectmen and the Citizens of the Town of Hooksett:

Another year has been completed with efforts towards improving our Park and Recreation facilities in order to make the Town of Hooksett a better place to live in.

The area involving the two baseball fields at the Village School was dedicated as the Arthur J. Donati Memorial Field. This was accomplished through the efforts of members of the Hooksett Men's Club.

Both baseball field infields were redone, new bleachers were installed, a line marker was purchased and general upkeep and maintenance was realized. It is hoped that further development of this area can be accomplished in the near future.

The swimming program was again a good success with approximately 130 children participating. This program is a free program provided by the Manchester Red Cross. Buses pick up the children at regular School bus stops and transport them to and from the Manchester Pool. Advance swimming as well as beginning swimming is taught. Encouragement of children to take part is strongly recommended.

PARKS & PLAYGROUNDS COMMISSION
Left to right: Harrison Rollins, Edward Payne, Merle Blakeley, Hendrick Kate, Jr.

The Lincoln Park area was generally cleaned up with the unwanted trees cut down, the swings repaired and basketball net poles repaired. Additional lighting is planned in this area in the near future.

Work has been started to make the Village Skating rink into a real good community rink and will be finished this year.

The Recreation Commission wishes to thank the Town officials and citizens who are helping to keep our children in Hooksett.

Respectfully submitted,

Your Recreation Commission

Hendrick Kate
Armand Cote
Meryle Blakeley
Harrison Rollins
Edward Payne

CIVIL DEFENSE

CIVIL DEFENSE
Left to right: Harold Murray and William Shackford.

Civil Defense Unit has been active in formulating a community Shelter Plan. We have been working closely with the Manchester Planning Board and the State Civil Defense Agency updating our existing shelters. We intend to send when compiled to each resident a map showing the shelter you and your family are allocated to.

Our town residency is 6,600. We have, when completed, 1,553 spaces. This means we have a deficit of 5,047 sheltered spaces. I urge each family to take some steps to provide shelters in their own home. The home survey completed last fall was successful in that we got about 81 per cent participation. If there are any questions on the information you received from this survey, please let this office help you with this project.

We were able to procure under matching Funds program 2 survival packs for training of Civil Defense and Fire personnel.

In the near future classes on Home Survival and Radiological monitoring will be available. Please try to attend.

Respectfully Submitted

William H. Shackford
Civil Defense Director

SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission was officially formed on August 9, 1966 under the provisions of Chapter 36:37-44, New Hampshire Revised Statutes Annotated, 1955. The purpose of the Commission is to enable member municipalities to join together to prepare a coordinated plan for the development of the region. The plan is to "encourage the most appropriate use of the land, such as for agriculture, industry, commerce, and housing; the facilitation of transportation and communication; the proper and economic location of public utilities and services; the development of adequate recreational areas; the promotion of good civic design; and the wise and efficient expenditure of public funds."

The municipal members of the Commission are the Towns of Auburn, Bedford, Goffstown, Hooksett, Londonderry, and the City of Manchester. Municipalities become members of the Commission by ordinance or resolution, by the official appointment of representatives who have been nominated by the local Planning Board, and by payment of fees authorized by the Commission.

The Commission has been formally organized for seventeen months and has met monthly during that period. Business before the Commission during this initial period is included in the following major areas: Commission organization, review of federally-aided municipal projects, review of the Manchester Metropolitan Planning Study (MMPS), study of specific development projects and their intermunicipal relationship, and continuation of the regional planning program.

Besides the normal activities of organizing a new public agency (bylaws, officers, record keeping), the Commission was asked to increase its size by the officials of Concord, Nashua, Derry and other Towns. It was agreed that any expansion of the Commission would not be desirable at this time in view of the pressing immediate needs of the Manchester metropolitan area.

Under Section 204 of the Federal Demonstration Cities and Metropolitan Development Act of 1966 the Commission must review applications for federal financial assistance that involve a regional consideration. The Commission has reviewed applications from the City of Manchester for open space, sewerage facilities, water facilities, an incinerator, and several highway improvements. These applications were in progress during the initial months of the Commission's existence and the Town members are now being encouraged to qualify themselves for federal financial assistance in their development programs. During 1968 the Commission will continue to review applications to evaluate their consistency with comprehensive planning and with other projects being developed in the area.

The Manchester Metropolitan Planning Study was completed and turned over to the Commission during 1967. This study began in 1965 and contains the fundamentals of a Comprehensive Plan for the region: a Land Use Plan, a Transportation Plan, and a Community Facilities Plan. Of greatest immediate importance has been the various recommendations for traffic improvements. The MMPS was a special organization made-up of representatives from the Federal, State, and local governments for the purpose of developing a comprehensive area-wide regional plan. Prior to the dissolution of this group, the Commission held joint meetings with the MMPS Advisory Committee in an effort to gain a full understanding of the work that had been completed. It is now the duty of the Commission to review, update, and maintain this regional plan.

During 1967 the Commission decided to add to the plan a detailed study of sewerage and water facilities in all towns. An application has been submitted to the Federal Department of Housing and Urban Development to receive an Urban Planning Assistance Grant for two-thirds of the $142,000 the study will cost. Essentially this is an engineering study which will include a complete survey of all existing facilities, evaluate existing and future needs, prepare a plan to provide adequate sewerage and water service throughout the regional area, and provide estimates of costs. The feasibility of expanding the Manchester systems to include part or all of the territory in the surrounding towns will be examined. The possibility of establishing unified area-wide systems in a district or authority will be analyzed. The study is scheduled to last two years.

An additional part of the planning program during the next two years will include an increased emphasis on coordination of municipal planning activities throughout the region, relating specific regional planning rec-

ommendations to local development programs, the provision of new base maps of the towns, traffic engineering planning, and capital improvement budget programming. This program is designed to supply plans which could solve many immediate problems related to providing adequate sewerage and water service to residents in the region, while at the same time continuing the long-range planning program.

During the first year of operation the Commission was supported by a 10 cent per capita membership fee based on the 1960 U. S. Census of Population. The Commission authorized an increase in the membership fee to 25 cents per capita in June, 1967, effective in 1968. These fees are as follows:

Municipality	*1960 Population*	*25 cent per Capita fee*
Auburn	1,292	$ 323
Bedford	3,636	909
Goffstown	6,882	1,720
Hooksett	3,713	928
Londonderry	2,457	614
Manchester	88,282	22,070
	106,262	$ 26,564

The photo above shows the following commissioners and officers: (left to right, seated) Alderman William W. Lynch, James E. Minnoch, Secretary and Executive Director; E. Leo Kanteres, Chairman; Roland A. Barnard, Goffstown; Lawrence W. Shirley, Treasurer; John F. Grogan, Assistant Executive Director and Fred Griffin, representing the Town of Londonderry. (left to right, standing) Alfred L. Sicotte, Manchester; Conrad R. Croteau, Hooksett; A. J. Staby, Auburn; Philip Hujar, Auburn; Robert H. Brooks, Bedford; Eugene M. Van Loon, Jr., Bedford; and Raymond E. Classan, Manchester. Not in photo: Messrs. Charles H. Hall and Peter C. Gaskill of Londonderry and Albert E. Beauchesne of Hooksett.

The Southern New Hampshire Planning Commission has an agreement with the City of Manchester to utilize the parttime services of its Planning Board staff on a cost reimbursable basis. This arrangement has allowed the Commission to provide the services of a professional city planner at the monthly meetings of town planning boards. The purpose of this service is to relate regional plans to those plans and development problems in the towns. This has been a particularly appealing aspect of regional membership for town planning boards. The 1968 program anticipates hiring one fulltime professional city planner which will provide on even greater service to member towns. Staff members are: James E. Minnoch, Executive Director; John F. Grogan, Assistant Executive Director; Roy F. Cowell, Neil A. Sieminski, John B. Prentiss, Joseph J. Sauser, Roland R. Boucher, Agnes A. Brady and Marguerite F. Knoettner.

HOOKSETT VILLAGE WATER PRECINCT

for the year ending December 31, 1967

OFFICERS OF THE DISTRICT

Moderator

PHILIP LAFOND

Clerk

BARBARA TASSIE

Treasurer

A. DAVID POISSON

Water Commissioners

ALFRED COLLERETTE	Term Expires 1968
A. E. BEAUCHESNE	Term Expires 1969
LEO HEBERT	Term Expires 1970
NELSON LAMBERT	Term Expires 1971
ROBERT POWERS	Term Expires 1972

Back row - left to right: Charles Woodbury, Leo Hebert, Nelson Lambert. Front row-- left to right: David Poisson, Albert Beauchesne, Alfred Collerette.

REPORT OF COMMISSIONERS

The most noteworthy event during the past year, so for as the Precinct's customers were concerned, at least, was the problem of poor water which occurred during August and September. After much investigation, the difficulty was traced to the suction tub at the system's inlet at Pinnacle Pond which had built up an excessive amount of iron as the result of rusting. A new tub, specially fabricated of stainless steel, was installed which should eliminate the problem for all time. The Board wishes to express its thanks to the many persons who donated their time and efforts to the solution of this problem.

Expansion of the system has continued to be rather rapid, with the addition of 2,519 feet of 6" and 8" mains in the Pleasant View Terrace and Heather Hill Developments. This main was installed by the Developers at their own expense, under supervision of the Precinct, and the Department has installed 3 new hydrants on these mains. A total of 25 new services were installed on the system as a whole.

In addition, the system has been improved by the replacement of 300 feet of old 2" and 3" main on High Street with a new 6" main and the transfer of the services to the new main. The metering program was continued with the installation of 53 meters bringing the total number of metered customers to 166. It is the Precinct's intention to install approximately the same number each year until the system is completely metered.

ALFRED COLLERETTE
NELSON LAMBERT
ALBERT E. BEAUCHESNE

THE CENTRAL HOOKSETT WATER PRECINCT

Left to right: Beverly Morrison - Ralph Page - Lindsay Rice - Edward Higgins - and Bertha Page.

SUPERINTENDENT'S REPORT
CENTRAL HOOKSETT WATER PRECINCT
HOOKSETT, N. H.

The system has completed its metering program and we feel that this was a good step towards conserving water as it should stop unnecessary waste of water. This has proven itself in several cases --when a customer complained of a high bill and in checking it out it was found that a leaking toilet was the cause; when this was repaired the bill then came back to normal.

We extended our main approximately 3,000 feet and installed two new hydrants. We also completed the emergency connection between the Industrial Park System and ours. This helps both systems in case of breakdown or for tank maintenance.

We plan to have our standpipe reconditioned this year - also replace the bowl assembly on No. 1 pump. This pump has been in service for 11 years without failure and we feel that it is time to service it.

We are negotiating at the present time for an agreement for our new well. We hope to have the terms settled soon.

In closing, I want to thank the commissioners and the people of the precinct for their cooperation and understanding. I think that you, the people, when you study our budget and financial sheets, will agree that we are operating efficiently as well as progressively. I also want to thank Mr. Harold Gaw for being our moderator and to say we regret that he will no longer be available. A new moderator will be voted in at the annual meeting.

Ralph W. Page, Superintendent
Central Hooksett Water Precinct

WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE CENTRAL HOOKSETT WATER PRECINCT IN THE TOWN OF HOOKSETT AND COUNTY OF MERRIMACK IN SAID STATE QUALIFIED TO VOTE IN SAID PRECINCT AFFAIRS:

You are notified hereby to meet at the Underhill School in said Precinct on Wednesday the 13th day of March next, at seven-thirty o'clock in the evening to act upon the following subjects:-

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Water Commissioner for the ensuing five years.
4. To choose a Treasurer for the ensuing year.
5. To raise such sums of money as may be necessary to defroy Precinct charges for the ensuing year and make appropriations of the same.
6. To see if the Precinct will vote to transfer the unexpended balance of the Note Issue for Well No. 2 to the Repair and Replacement fund, the work on said well having been completed.
7. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 8th day of February, in the year of our Lord nineteen hundred and sixty-eight.

RALPH W. PAGE
RUDOLPH J. DLUGOSZ
EDWARD HIGGINS
LINDSAY H. RICE
Board of Water Commissioners
Central Hooksett Water Precinct

I HEREBY CERTIFY THAT THE ABOVE RETURN IS CORRECT, ACCORDING TO THE BEST OF MY KNOWLEDGE AND BELIEF.

JOYCE A. EMERSON, Town Clerk

Thus public education was still a tentative and shaky enterprise. School terms were limited to two or three months a year, teachers had no professional training (nor was there any place to get it), and the equipment in most schools consisted of little more than a wood stove, a bench for the pupil, and a rod for the teacher. . . .

Scenes from the Arthur J. Donati Memorial Field dedication held May 30, 1967.
